

Plan to Share the Gospel

Park City Utah Stake

October 2021

Principles

Love. We are all children of a Heavenly Father who loves us perfectly. He offers everyone the opportunity to be filled with His love through Jesus Christ and His gospel. One way we show our love for God is by loving and serving His children. We strive to love and serve as Jesus Christ did. This love inspires us to reach out to people of all religions, races, and cultures.

Share. Because we love God and His children, we naturally want to share the blessings He has given us and help gather Israel. We seek to help people feel the joy we feel. As disciples of Jesus Christ, we hold up His light. We speak openly of the Savior and His influence in our lives. We share love, time, experiences, and gospel truths to bless God's children and help them draw closer to Christ. We share these things in normal and natural ways, using technology to amplify our efforts.

Invite. The Savior invites all to receive His gospel and prepare for eternal life. As His disciples, we follow His example, inviting all to "come unto Christ, and be perfected in him" ([Moroni 10:32](#)). We pray for inspiration & guidance on how to invite others to:

- ***Come and see*** the blessings available through Jesus Christ, His gospel, and His Church;
- ***Come and help*** us serve people in need;
- ***Come and belong*** to the restored Church of Jesus Christ.
